Healing Beyond Borders is the professional, non-profit education, credentialing, and membership organization for Healing Touch, Established in 1996.

Healing Touch Is...

A relaxing, nurturing energy therapy

- Uses gentle, heart-centered touch to assist in balancing your physical, emotional, mental and spiritual well-being.
- Enhances the body's natural ability to heal through the human energy centers and energy field/biofield.
- Works in harmony with standard medical care and is complementary to other health care systems. Safe for all ages.

Is Healing Touch for You?

Intended Audience Includes:

- Registered Nurses
- Health Care Professionals
- Psychotherapists and Chaplains
- Body-oriented Therapists
- Those who desire to study energy therapy with a commitment to help others

Learner Objectives

The learner will be able to:

1. Explore qualities and self-care needs of a Healing Touch Practitioner.
2. Discuss the facets of Healing Touch and correlate techniques that support physical, mental, emotional, and/or spiritual healing.
3. Demonstrate Healing Presence: the ability to remain grounded, present, and heart-centered.
4. Describe personal perceptions of subtle energy/heart-centeredness.
5. Apply the Healing Touch Framework to a variety of energy interventions.
6. Evaluate the seven energy centers (chakras) and related energy layers that surround the body.
7. Describe rationale with use of specific Healing Touch techniques.
8. Discuss the Healing Beyond Borders Code of Ethics, Standards of Practice and Scope of Practice required of a beginning Healing Touch student.

Course Description

The theoretical concepts which underlie holistic healthcare practices are explored along with how they relate to the core values which guide the practice of Healing Touch. Healing Touch techniques used in the etheric field are acquired along with an understanding of how they interface with the human biofield.
